EXPERIENCE

Summer Intern

Internship Wiseverge

📅 June 7 – August 12th 2022 📍 Braga, Portugal

- For 2 months, I had the pleasure of becoming a **summer intern** at **Wiseverge**. There, I was a part of the design and development process of web apps.
- The main tools used were git, yarn, typescript and firebase.

Summer School SusTrainable Rijeka

📅 June 4–8th 2022 📍 Rijeka, Croatia

- After receiving a summer scholarship by **University of Minho**, I had the opportunity to participating in the first ever **SusTrainable Summer School** by the **Faculty of Engineering** in the **University of Rijeka** in Rijeka, Croatia

Mentor

CoderDojo

📅 May 2021 – Ongoing 📍 Braga, Portugal

- Organization which aims to teach the youth about the world of software while also helping them build their own projects
- It has been an unique and beautiful experience to be able to share my knowledge in one of my favorite areas. In return, I have also learned a lot from the children I have taught

HIGHLIGHTED PROJECTS

Vue &
Spring
Boot

Online Shopping

Web application for online shopping, including product, customer, and administrator management. A comprehensive solution, prioritizing efficiency and user experience.

Repository

Grade 19/20

Python
