## EXPERIENCE

### Summer Intern

#### Internship Wiseverge

📅 June 7 – August 12th 2022 📍 Braga, Portugal

- For 2 months, I had the pleasure of becoming a **summer intern** at **Wiseverge**. There, I was a part of the design and development process of web apps.
- The main tools used were git, yarn, typescript and firebase.

### Summer School SusTrainable Rijeka

📅 June 4–8th 2022 📍 Rijeka, Croatia

- After receiving a summer scholarship by **University of Minho**, I had the opportunity to participating in the first ever **SusTrainable Summer School** by the **Faculty of Engineering** in the **University of Rijeka** in Rijeka, Croatia

### Mentor

#### CoderDojo

📅 May 2021 – Ongoing 📍 Braga, Portugal

- Organization which aims to teach the youth about the world of software while also helping them build their own projects
- It has been an unique and beautiful experience to be able to share my knowledge in one of my favorite areas. In return, I have also learned a lot from the children I have taught

## HIGHLIGHTED PROJECTS

Vue &  
Spring  
Boot

#### Online Shopping

Web application for online shopping, including product, customer, and administrator management. A comprehensive solution, prioritizing efficiency and user experience.

#### Repository

Grade 19/20

Python

#### Raft (Tolerância a Faltas)

Variation of Raft algorithm for distributed systems, aiming to enhance scalability by allowing replicas to respond to reads.

#### Repository

Grade 17.5/20

C &  
Java

#### LI3 (Software Labs III)

Program capable of reading, storing and managing all valid information contained within **CSV** files

#### Repository

C: 19.75/20  
Java: 20/20

## STRENGTHS

Hard-working

Persistent

Motivated

Optimistic

C

Java

Javascript

Typescript

Rust

Redux

React
